Purpose of this Ministry

The Christian Women's Ministry is to provide a dedicated space for women to deepen their relationship with God through fellowship, Bible study, service opportunities, and mentorship. Allowing them to grow spiritually, discover their gifts and support one another in their faith journey, particularly in the context of their unique experience as women. Key aspects of women's ministry include: spiritual growth, community building, leadership development, mentorship and discipleship outreach and service.

Focus on woman's needs: biblical foundation and diversity of experience.

The Christian woman's ministry is to provide opportunity for spiritual growth, enrichment development, and personal responsibility for the Church of Jesus Christ.

The woman's ministry empowers women to discover and utilize their spiritual gifts encouraging active participation in the church and broader community.
