Purpose of this Ministry,

Antioch Christian Men's Ministry is designed to provide a supportive and encouraging environment for men to grow in their faith and to connect with other Christian men. We focus on spiritual growth: Bible study, prayer groups, and other activities to deepen the understanding of Christian principles. Meetings are held every week by the deacons and the pastor of Antioch Christian Church.

Fellowship: opportunities for men to build meaningful relationships with one another.

Service: projects and initiatives that allow men to serve their communities and demonstrate their faith through action.

Mentorship: older, experienced men guiding and supporting younger men in their spiritual journeys.

The overall goal of Antioch Christian Church Men's Ministry is to equip men to live out their faith in a way that is relevant and impactful in their daily lives.
